ALLSTATE RUBBER TILE LIMITED WARRANTY:

Except for the warranty set forth herein, Allstate Rubber Corp. ("Allstate") disclaims all warranties with respect to all goods sold hereunder, including without limitation and implied warranty or merchantability, or fitness for a particular purpose.

For a period of 1 year from date of purchase, Allstate makes the following warranty as to its Allstate Custom Rubber tile.

- The merchandise will conform to the contract description. It will be of fair + average quality within the description. It is for the ordinary purposes for which the product is used and will be adequately packaged + labeled to conform to the label.
- Any defective material will be replaced at no charge if the defect is found **PRIOR** to installation. If defect is found after installation, all of the above warranties shall be voided.
- Allstate does NOT warrant the exact matching of any color, shade, mottling, pattern or promise by sales persons or representatives.
- Purchaser must inform Allstate @ 105-12 101 Ave. Ozone Park NY 11416 or any claimed defect in writing (via mail or UPS) within 14 days of discovering such defect.
- Allstate reserves the right to inspect the manner and quality of the installation of its product that is claimed to be defective. Allstate disclaims any and all liability for labor costs in the installation of claimed defective products.
- After installation, a standard maintenance program should be implemented. This includes daily sweeping of the floor, application of a metalized acrylic finish and regular cleaning of the floor. Walk off mats must be used at the entrance of the facility where the floor is installed. Mats must also be used at doorways to kitchen + bathroom facilities.
- Excluded from warranty are: problems caused by moisture, hydrostatic pressure or alkali in the subfloor, problems caused by improper installation or contrary to approved Allstate instructions, the use of non-Allstate approved glue, any and **all** residential installations, labor on material installed with obvious defects, damage to tile from high heels or spiked shoes, the use of solid color plain tile as an overall field, the use of Micros reliefs for any flooring. Installation of tile over particleboards, chipboard or pressboard. Use in commercial kitchens. Any outdoor use.
