

MVT Highlights

- 20 Year wear warranty.
- 30+years of successful installations. Since 1986.
- 3500 PSI load limit, withstands the heaviest traffic.
- Including forklifts or students! No delamination.
- 70% Natural, 100% beautiful™.
- Bio based plasticizer.
- Chemical free maintenance.
- Extremely low VOC's.
- Extremely dense structure due to our unique molding process. Less Porous.
- Highly resistant to staining by chemicals & solvents.
- Homogeneous construction.
- Monolithic visual.
- MVT doesn't require constant stripping and waxing like VCT, resulting in thousands of dollars saved in maintenance costs.
- Occupancy ready. Factory applied PUR technology.
- Oversize tile for fewer seams. (24" x 24")
- Phthalate free.
- Totally recyclable.
