

Vent Cove Base

for Sport & Commercial Applications

Designed for sports floors that require air circulation under a floor system. Allstate Vent Cove Base beautifully transitions the sport floor to the wall, plus has the benefit of allowing unobstructed expansion and contraction of athletic wood floors.

- For sport & commercial applications
- Back surface vented for breathability & machined for easy gluing
- Best in the industry for adhesive bond
- Optional outside corners with matching profile available
- 100% recyclable – post consumer
- Easy clean up; wipe with mild soap and water
- Made in the USA
- Available in black (A09)
- 4" high x 3" toe/deep x 5/16" thick x 4' length
