

Terrazzo8™ Highlights

- Affordable Terrazzo.
- Butt joint installation. No grout needed.
- Chemically resistant.
- Clean installation. No grinding, sanding or polishing.
- Custom colors for 1000 square feet.
- Durability – Can withstand hard traffic. T8 has a slight flexibility, so it is more resistant to cracking and shattering.
- Fast Install using standard vinyl tile adhesive. Can be walked on within 2-3 days.
- Homogenous/through chip product.
- Installs with Mapei Eco 373 adhesive, not mortar, for quicker, less expensive, cleaner install.
- Load limit of 1000 PSI.
- Low VOC's.
- Oversize tile for fewer seams (24" x 24").
- Precast terrazzo tile.
- Phthalate Free.
- PVC Free.
- Recycled content.
